

SWOSU International Students Attend Awareness Day at State Capitol

04.11.2012

Eight students from the SWOSU International Student Association and two faculty members recently attended the Oklahoma International Student Awareness Day at the State Capitol in Oklahoma City. The students and faculty met with Rep. Harold Wright (pictured in the middle), other legislators and international students from other universities in Oklahoma. The trip was funded in part by the Collegiate Activities Board and student activity fees. Accompanying the students were Dr. David Hertzell and Dr. Hardeep Saluja.
